
OHH DEER
S/S 2026 Catalogue

About Ohh Deer

Jamie Mitchell and Mark Callaby met at Kingston University in South London and both shared a love of all things creative. Ohh Deer began life as an illustration blog in 2010, it allowed them to remain creative in the evenings while working full time jobs, but what if Ohh Deer could become their full time job? Well that's where creating product came in.

The couple soon moved to Loughborough, where Jamie's grandparents offered their attic as the first studio. Jamie had saved enough to pay rent for a while so he could work on the brand full-time, while Mark got a role at Nottingham Trent University to keep things stable. They launched a website in November 2011 and attended their first ever trade show (Spring Fair) which set in motion a whole series of exciting events!

Ohh Deer expanded into cards, stationery and gifts, alongside subscription boxes like Papergang and Artful. As the product range expanded, so did their team, which now sits at just over 40 wonderful people.

Through every chapter, wholesale has remained core to what we do. We love working with incredible retailers, we keep fulfilment in house so service stays personal, and we lean into collaborations with talented artists and leading brands to keep every range fresh. Those partnerships now include **V&A**, **Cath Kidston**, **Laura Ashley** and the **Natural History Museum**.

This catalogue brings that spirit to life and as ever it shows an appetite to explore new things and push forward. We're launching **Silly Beans** (pg 188), starting with our new felt decorations shipping from July. You'll also find new **bookmarks** (pg 217), **desk calendars** (pg 218), **keyrings** (pg 186) and **jigsaw cards** (pg 110), an expanded V&A offer with Eastern Elegance (pg 6), more options in our bestselling **tiny notebooks** (pg 190), and science themed additions to our award winning Picture This **3D cards** collection (pg 112).

Our Values

Sustainability & Giving Back

We care deeply about the environment and believe that everyone, including businesses, have a responsibility to protect it for future generations. Over the years we have planted over 150,000 trees, and have helped fund the removal of plastic from our oceans. We remain committed to sustainability and are always looking at ways to remove plastic and non-renewables from all of our processes; small or large.

Equality, Diversity & Inclusivity

At Ohh Deer, we believe in the power of unity, diversity, and inclusivity. We're proud to be a LGBTQ+ run business, and this inclusivity is at the heart of everything we do. We are committed to fostering a welcoming and inclusive workplace where everyone, regardless of age, disability, gender identity, marital status, pregnancy, race, religion, sex, or sexual orientation, feels valued and respected.
